PARADISE LAGER

4.5% ABV / Clean & Crisp

INDIVIDUAL CAN \$3 / 4 PACK-\$10.27 / 6 PACK- \$15 / CASE- \$59.22
CANADIAN & ONTARIO BREWING AWARDS MEDAL WINNER (2018, 2018, 2019)

When Hiram Walker built the Lake Erie Railway, he built one track that specifically transported his workers to a place called "Paradise Grove". Being right on the water and covered with green space, Walker established this area as prime real estate for vacationing. This is now modern-day Kingsville. We crafted this clean and crisp lager to reflect Walker's intentions, giving our community a taste of paradise.

DIVISION NEW ENGLAND IPA

6.2% ABV / Hoppy & Hazy

INDIVIDUAL CAN \$3.46 / 4 PACK-\$13.43 / 6 PACK- \$17 / CASE- \$63.41

When Division Street was built it was a cause for celebration! Being the first major street developed in the growing township of Kingsville, the community rejoiced as they realized that they were experiencing a moment of historical significance for future generations to come. This IPA is super hop-forward and copy's the turbulent characteristics mentioned above. The balanced finish to this brew pays tribute to the settlers never getting ahead of themselves, finishing the job with modesty.

PEACHY MOTHERPUCKER SOUR

4.5% ABV / Fruity & Refreshing

INDIVIDUAL CAN \$3.46 / 4 PACK-\$13.43 / 6 PACK- \$17 / CASE- \$63.41

This kettle gose sour starts life like all beers do in the mash tun, but what makes this beer unique is the 48 hours it spends in the kettle to sour just the right amount. We are careful to make sure it's not too sour to be the most refreshing it can be. After fermentation, we add the all-natural essence of farm-fresh peaches. The pale straw colour with a fine white head, aromas of fresh peach, and a refreshing light, tart flavour makes it unlike any sour you've ever tasted.

GEORGE THE GHOST HEFEWEIZEN

4.2% ABV / Blood Orange & Hazy

INDIVIDUAL CAN \$3.20 / 4 PACK-\$11.37 / 6 PACK- \$16 / CASE- \$60.85

ONTARIO BREWING AWARDS MEDAL WINNER (2019)

If you know Kingsville, you know George. Haunting the King's Hotel since the mid-1800s, the spirit of the sea captain has been a staple in local folklore. This one is for George, a classic Hefe, various sweet notes, and an appearance as hazy as the figure himself. Beware of trying to dissect and comprehend all the flavours... it may drive you mad.

KEEPER BLACK LAGER

4.4% ABV / Dark & Crisp

INDIVIDUAL CAN \$3 / 4 PACK-\$10.27 / 6 PACK- \$15 / CASE- \$59.22

Vigilant in the most challenging circumstances, W.H. Black stood from 1902-1925, as a glimmer of light in the distance, guiding mariners safely to Kingsville.

WESTCOTT CREAM ALE

4.7% ABV / Smooth & Malty

INDIVIDUAL CAN \$3 / 4 PACK-\$10.27 / 6 PACK- \$15 / CASE- \$59.22
CANADIAN AND ONTARIO BREWING AWARDS MEDAL WINNER (2018, 2019)

In the late 1800's, Caroline Westcott's "Mettawas Waltz" was a classic Kingsville groove. Although it was easy to learn, it still had a certain "hop" in its step, just so it wouldn't be disregarded by the professionals. This medium bodied, smooth, and tamed Cream Ale makes for a solid entry-level craft beer while satisfying those with experience - perfectly reflecting Mrs. Westcott's intentions.

CLUBHOUSE STOUT

4.7% ABV / Dark & Coffee

INDIVIDUAL CAN \$3.20 / 4 PACK-\$11.37 / 6 PACK- \$16 / CASE- \$60.85

ONTARIO BREWING AWARDS MEDAL WINNER (2018)

Ruthless and relentless, the young ruffians of Clubhouse No. 2 certainly paint a more ominous picture of Kingsville. Although robberies to random acts of violence were common among the group, these boys were notorious for digging up graves and displaying them outside the clubhouse, dressing skeletons in full suits to deter visitors. This pitch black oatmeal stout was crafted to acknowledge our past, and that every history has a dark side.

LUPULIN EXPRESS APA

5% ABV / Fruity & Hoppy

INDIVIDUAL CAN \$3.46 / 4 PACK-\$13.43 / 6 PACK- \$17 / CASE- \$63.41

Imagine being a general labourer during the birth of the industrial revolution. Now imagine the pure bliss of taking a vacation from that. When Hiram Walker shuttled his workers by locomotive from Walkerville to "Paradise Grove", the workers experienced something quite similar to the "Lupulin Effect". An active ingredient in this beer's hops, Lupulin stimulates the mind and creates senses of euphoria, friendliness, reduced anxiety, and a craving for more. As Walker's workers step foot onto the train, they emitted these exact feelings in anticipation for their week of leisure to come. Crack this can, and it's all aboard the Lupulin Express.

O'DONAVANS AMBER LAGER

4.6% ABV / Irish & Crisp

INDIVIDUAL CAN \$3.20 / 4 PACK-\$11.37 / 6 PACK- \$16 / CASE- \$60.85

In 2017, Kingsville opened it's first brick and mortar brewery. Folks flocked from near and far to fill their pint glasses, trying brews that tested the taste standards of Essex County. Since day one, Grove brewmaster Donovan McFadden has been pushing the confines of and changing the way this region enjoys craft beer. This one's brewed for him... by him.
